### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments		
<b>Minor</b> REVISION comments	The author should elaborate on the Research Background why The Jakarta Post Article Entitled "Omnibus Law Boosts Indonesian Growth Prospects" was chosen for discussion. The authors need to elaborate further on this article's originality and research value so that readers can understand it clearly.	The elaboration has been added.
<b>Optional/General</b> comments	Suppose the authors could add to 4. Results and Conclusion a report on the social response to the publication of Thomas Rookmake's article or a review of other scholarly findings would probably corroborate the authors' views even more.	Due to space and time constraints, unfortunately it cannot be done in this research. However, it will be considered for further research.
