<b>Compulsory</b> REVISION comments		
<b>Minor</b> REVISION comments	I think the paper is very good . However ,please add more about : -Bamboo plants area in the district collected .There are many different household bamboo handicraft work. (How many type bamboo handicraft) - Do they grow their own or do they have to buy other villages. - They have individual families or are interconnected at work ( for exemple : Club or community) - What do you recommend in which items are the best that should be noted. - the results of the maket consumption of bamboo handicraft work , from domestic and foreign should be confused. More discussion . Why they do this and future prospects?	I have incorporated the required information. -I can't explain market consumption and details of various bamboo handicraft products because the study is confined to only demographic and work profile of bamboo handicraft workers.
<b>Optional/General</b> comments
