| Compulsory REVISION comments | | |
| Minor REVISION comments | I think the paper is very good . However ,please add more about : -Bamboo plants area in the district collected .There are many different household bamboo handicraft work. (How many type bamboo handicraft) - Do they grow their own or do they have to buy other villages. - They have individual families or are interconnected at work (for exemple : Club or community) - What do you recommend in which items are the best that should be noted. - the results of the maket consumption of bamboo handicraft work , from domestic and foreign should be confused. More discussion . Why they do this and future prospects? | |
| Optional/General comments | | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|----------------------------------------------|------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Are there ethical issues in this manuscript? | <i>(If yes, Kindly please write down the ethical issues here in details)</i> | |
