### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	Dear author/s Thank you for giving me the opportunity to read your manuscript. I read your manuscript with great interest. Your manuscript appears to be well structured and organized, however, it needs changes that would improve it significantly. Existing references, although useful and interesting, your manuscript needs more, and more up-to-date references. Additionally, references are missing in some parts of your manuscript. Please add the relevant references where needed,	I do agree in part and the needed changes have been made
<b>Minor</b> REVISION comments	Methodology section lacks bibliographic documentation/reference. Please make the necessary adjustments. Certain sections of the manuscript begin or end abruptly, which may reduce the reader's attention or interest. I would suggest you could consider including some introductory paragraphs regarding the content of each section, in order to give the reader an idea of what to expect. Please cite more of the journal papers published by Asian Journal of Education and Social Studies where possible. Additionally, it may also make the manuscript more interesting if the author/s could use the following reference: <a href="https://doi.org/10.3390/educsci9030196">https://doi.org/10.3390/educsci9030196</a>	I do agree in part and the needed changes have been made
<b>Optional/General</b> comments	Kindly read your manuscript again with a clear mind and make the necessary corrections. You may need to move some parts to other sections for there to be a logical flow. Also, kindly check for grammatical errors.	I do agree and the needed changes have been made
