PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Abstract: - "Clinical management" usually also involves some conservatory treatment. Change "Clinical management" with "Surgical management"; -Please apply this in the manuscript too Manuscript: <i>Case report</i> - please mention what OPD means; - do you have the proper limitations in terms of degrees of range of motion? - Do we have some images of the "osteoblastic mass"? - If you described the abbreviation MRI in the manuscript, please use it for the upcoming mentions of that; - I suggest authors should add a table, figure or image, otherwise, the manuscript is of low quality. <i>Discussion</i> - please begin this section with the most important finding of your case report. <i>Conclusion</i> - write "Synovial" with a small "s".	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
