PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The writing language of the manuscript is good and its scientific content is excellent, there are only some minor typos and they are indicated on the manuscript. I think this manuscript must be accepted with minor revision.	Thank you for your valuable feedback
Minor REVISION comments	Language need to be check precisely	I have made all the corrections as mentioned in the comment boxes
Optional/General comments	Following references should be added Basu A, Chowdhoury SR, Sarkar M, Khemka A, Mondal R, Datta K, Mondal K. Scrub Typhus-Associated Hemophagocytic Lymphohistiocytosis: Not a Rare Entity in Pediatric Age Group. Journal of Tropical Pediatrics. 2021 Feb;67(1):fmab001. Ghosh R, Mandal A, León-Ruiz M, Roy D, Das S, Dubey S, Benito-León J. Rare neurological and neuropsychiatric manifestations of scrub typhus: a case series of 10 cases. Neurología (English Edition). 2022 Jul 28.	I have incorporated the first reference. I have read the second reference article but the article does not have Macrophage activation syndrome in any one of the 10 rare neurological presentations of scrub typhus. So I am not sure on how to incorporate it in my article.

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)	No ethical issues in this manuscript.
