### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	Major Revision	
<b>Minor</b> REVISION comments	The research objectives, the Scope of Study, Methodology, and Conclusions have not all been stated properly and clearly. Please make any necessary improvements to that section. I suggest to the Author to add and multiply your references from various reputable journals so that the scientific content can be better maintained.	
<b>Optional/General</b> comments	This manuscript entitled " <b>Investigation on unusual activities of the universe with regard to solar and terrestrial context</b> " is interesting. This manuscript discussed about investigation on unusual activities of the universe. The research objectives, and the Scope of Study, Methodology, and Conclusions have not all been stated properly and clearly. Even though all references have been cited correctly, I advise the author to add and multiply your references from various reputable journals so that scientific content can be maintained.	

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
