**Editor's Comment:**

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked in the Attachment.

Also,

- The organisation of the manuscript to be checked.
- Check grammar.
  - In the text, do not use the first person "we".
  - to have the text English proofread (mainly the application of articles).

References should be checked.

- All works cited in the text must be listed in the References.
- to elaborate the bibliographic citation and references format according to the needs of AJESS.
