

## Review Form 1.7

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_115203
Title of the Manuscript:	Effect of soil and foliar application of humic acid on nutrient uptake, grain and straw yield of black gram (Vigna mungo L.) under Inceptisols
Type of the Article	Research article

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments  1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)  2. Is the title of the article suitable? (If not please suggest an alternative title)  3. Is the abstract of the article comprehensive?  4. Are subsections and structure of the manuscript appropriate?  5. Do you think the manuscript is scientifically correct?  6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.  (Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)	Manuscript is good as a scientific finding.  Title is appropriate. except the word "Inceptisols" may be replaced.  Abstract is very short, it may include the importance of study, aims, treatment details and concluding lines.  Manuscript is categorized appropriately in to different subsection, except, material method should include further details of the parameters determination.  Scientifically, the manuscript is a correct representation.  References are enough and presented homogenously.	Noted
<b>Minor</b> REVISION comments  1. Is language/English quality of the article suitable for scholarly communications?	Language of the manuscript may be improved as few sentences are very weak in terms of grammar and for a scientific paper.	
<b>Optional/General</b> comments		

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
