

Editor's Comment:

I have seen the paper also the comments from the reviewer that was nice.

So Having a good replay from the author, my decision for manuscript number: 2024/IJANR/115561 is to ACCEP it.

Editor's Details:

Dr. Mengistu Hailemariam Zenebe

Assistant Professor, School of medical laboratory sciences, College of Medicine and Health Sciences,
Hawassa University, Hawassa, Ethiopia.
