

Review Form 1.7

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_115855
Title of the Manuscript:	Effect of time of transplanting and spacing on Tulsi (Ocimum sanctum)
Type of the Article	Research Article

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments 1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript) 2. Is the title of the article suitable? (If not please suggest an alternative title) 3. Is the abstract of the article comprehensive? 4. Are subsections and structure of the manuscript appropriate? 5. Do you think the manuscript is scientifically correct? 6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. (Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)	<p>The yield and quality of produce is depended upon the various factors like season, spacing and fertilizer requirements etc. The main objective of this study was to elaborate the influence of raising tulsi plant on different date of planting at different spacing on growth characteristics. This study is important for researcher to improve the yield of tulsi.</p> <p>Yes, the title is good.</p> <p>Yes, abstract comprehensibly elaborated methodology and results.</p> <p>Yes, the structure of the manuscript is correct.</p> <p>Yes, It is need of time to increase yield by optimizing conditions.</p> <p>The reference list is very short. In order to exhibit scientific importance of manuscript, the introduction section should include more information as well references.</p>	<p>Thank you for your valuable comments its really helpful for improving the quality of our manuscript.</p> <p>I have added some new references as suggested by you</p>
Minor REVISION comments 1. Is language/English quality of the article suitable for scholarly communications?	<p>Yes.</p>	
Optional/General comments	<p>There are some typo errors like spacing issue. (60x 45cm) There is no space between 60 and x but in all the manuscript there is space. So, make sure uniform format.</p>	<p>I have corrected the typographical mistake</p>

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<p>(If yes, Kindly please write down the ethical issues here in details)</p>
