(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)	Article is quite interesting.  The sole limit being a lack of “general pictures” that makes this a bit immature, sort of short hands of the math contents.  Authors are kindly requested to make the research plan clearer, introducing the current open problems and the main results in view of possible applications.	Checked  Checked  Conclusion added. Two references were added. Thank you for your advice.
<b>Minor</b> REVISION comments  1. Is language/English quality of the article suitable for scholarly communications?		
<b>Optional/General</b> comments	Accept After Minor Revision
