

Review Form 3

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Ms_JEAI_126405
Title of the Manuscript:	Effect of weed management practices on weed control, growth and fruit yield of grapes (Vitis vinifera)
Type of the Article	

Review Form 3

PART 1: Review Comments

<u>Compulsory</u> REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Cost effective weed management practices is needed for grape production with minimum cost of cultivation therefore identification of weedicides for lowering the weed density, weed dry matter production, higher weed control efficiency, is of great importance to the farming community.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract does not mention the place and year of experiment. The treatment details are missing.	Year, place of experiment, treatments were included in the abstract.
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Yes, it is scientifically correct as this study was embarked upon to examine the effects of chemical weed management on weed control, growth, and fruit yield of grapes.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes	
<u>Minor</u> REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Same font should be used throughout the manuscript	Corrected with the same font throughout the manuscript
<u>Optional/General</u> comments	The abstract does not mention the place and year of experiment. The treatment details are missing. Also mention the state where the experiment was done in Material and method section. SEE ATTACHMENT	Year, place of experiment , treatments were included in the abstract State where the experiment conducted was included in the materials and methods.

Review Form 3

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
