Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?		
Optional/General comments	<p>I have carefully through the manuscript entitled “The potential of Drug Repurposing Research in COVID-19”. It is a good compilation of work. It need some revision. The typographical and grammatical errors should be rectified. In the introduction part more emphasis should be given on the importance of repurposing and failure of existing treatment. Some references need to be included in the introduction part.</p> <ul style="list-style-type: none">• Navigating the Waves: A Comprehensive Analysis of India's COVID-19 Journey from 2019 to the Arrival of JN.1 Subvariant in 2023 by Sharma et al.
