Do you think the manuscript is scientifically correct?  6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.  (Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)	Yes  Yes  Yes Yes  Yes  Yes Yes	As we know that Rajasthan is a leading producer of green gram in India. Looking into this, the study was conducted by the author at <b>College of Agriculture &amp; Research, (Mahatma Jyoti Roa Phoolle University) Achrol, Jaipur</b> . This study will be more benefited for the farmers especially for the Rajasthan farmers to increase their farm production and doubling their income. This study is not novel but good from the farmers point of view. So, kindly proceed further for the publication. Thanking You With regards Rahul Jakhar (First & Main Author)
<b>Minor</b> REVISION comments  1. Is language/English quality of the article suitable for scholarly communications?		NA
<b>Optional/General</b> comments
