

Review Form 1.7

Journal Name:	Journal of Advances in Microbiology
Manuscript Number:	Ms_JAMB_110301
Title of the Manuscript:	Assessment of Airborne Microbial Composition and Antibiotic Susceptibility Profiles in Dumpsite Environments within Rivers State University
Type of the Article	Research Article

PART 1: Review Comments

	Reviewer's comment	Author's comment(<i>if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here</i>)
Compulsory REVISION comments 1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript) 2. Is the title of the article suitable? (If not please suggest an alternative title) 3. Is the abstract of the article comprehensive? 4. Are subsections and structure of the manuscript appropriate? 5. Do you think the manuscript is scientifically correct? 6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. (Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)	Understanding the airborne composition is critical for a variety of sectors Monitoring and analyzing these microbes aids in the assessment of potential health hazards, the development of mitigation techniques, and the understanding of microbial ecology. The title of the article is fine The abstract must include a few lines regarding the airborne composition of dumpsites as well as their hazardous impacts. The sub-section title has to be precise Correct The few references are recent yet a few more recent reports can be incorporated as reference	Noted. Thanks for your suggestion Thanks for your observation Noted and adjusted. Thanks Thanks for your observations.
Minor REVISION comments 1. Is language/English quality of the article suitable for scholarly communications?	The manuscript contains grammatical mistakes which needs to be addressed.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment(<i>if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here</i>)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
