

**Editor's Comment:**

I've gone through the Peer Review Report of the manuscript entitled "The Application of Response Surface Methodology (RSM) In the Computational Optimization of Sustained Release (SR) For Phenothiazine Derivative Matrix Tablet" provided by 2 reviewers. I've also checked the authors response to the Reviewers comments as well as the revised manuscript. The authors have modified the manuscript as suggested by the Reviewers.

The manuscript may now be accepted for publication.
