(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)	 1. While the text provides valuable insights into the integration of poplar trees with spice crops in Indian agriculture, it lacks specific details on the correlation matrix study. A more detailed presentation of the correlation coefficients and the trends observed among the parameters would enhance the paper's scientific rigor and contribute to a better understanding of the association between agroforestry and spice crop production. 2.yes 3.yes 4.yes 5.yes 6.yes	 Completed
