

Review Form 1.7

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_116407
Title of the Manuscript:	Study the response of Mannitol and Nano Urea to mitigate the adverse effect of terminal heat stress on wheat (Triticum aestivum L.)
Type of the Article	

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments 1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript) 2. Is the title of the article suitable? No 3. Is the abstract of the article comprehensive? No 4. Are subsections and structure of the manuscript appropriate? 5. Do you think the manuscript is scientifically correct? 6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. (Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)	Yes, it gives a clear research design that can be used to carry out study involving the given parameters Data analysed gives researchers information that can be in breeding and wheat improvement The effect of Mannitol and Nano Urea on terminal heat stress on wheat (Triticum aestivum L.) The problem being solved is not indicated. Let the problem targeted for solving come out clearly yes yes The references are sufficient and current but if more can be added, the better.	Noted Title revised Thanks Noted
Minor REVISION comments 1. Is language/English quality of the article suitable for scholarly communications? Yes		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
