

Editor's Comment:

Manuscript Title: Cognition of Pre-service Mathematics Teachers about the Usage of PowerPoint (PPT) in Mathematics Teaching in China

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked in the Attachment.

Also,

- ☐ Check gramer.
- ☐ to have the text English proofread (mainly the article).

References should be checked.

- ☐ "[46],[47],[48]", these should be checked-[in the text].
- ☐ All workscited in the text must be listed in the References.
- ☐ to elaborate the bibliographic citation and references format according to the needs of AJESS.
