

SDI EDITORIAL COMMENTS FORM

EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>1.I have looked over the manuscript, review reports and the corrected version. Authors made certain changes, but they are not marked according to the reviewers comments. The authors should make the exact changes made in regards to reviewer (for example, Reviewer 1 should be marked in yellow and Reviewer 2 in pink).</p>	<p>All suggested corrections by both reviewers has been done.</p>
