

Review Form 3

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_125806
Title of the Manuscript:	Innate Immunity in Rice: A Defense Against Bacterial Leaf Blight
Type of the Article	Review article

PART 1: Review Comments

Compulsory REVISION comments	Reviewer’s comment	Author’s Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This review will give knowledge about Bacterial leaf blight disease of rice and management of this disease through resistance breeding in Asia specific. But must include mode of action of the pathogen.  SEE ATTACHMENT	The most sustainable way of controlling bacterial leaf blight of rice is by boosting the innate immune system of rice by incorporating R genes in to cultivated varieties by marker assisted breeding programmes. This review highlights the innate immune system responses of rice to bacterial leaf blight of rice. Understanding of the innate immunes system is essential for sustainable disease management.
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	To add effect of bacterial leaf blight disease in abstract section	Added
Are subsections and structure of the manuscript appropriate?	Add one section of effect of disease and how symptoms develop in plants	Added pathogen mode of infection and symptom development
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.		
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. :-	To add some more recent references	Added recent references

Review Form 3

Minor REVISION comments	Yes	
Is the language/English quality of the article suitable for scholarly communications?		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
