Review Form 3

Journal Name:	**Journal of Agriculture and Ecology Research International**
Manuscript Number:	**Ms_JAERI_121632**
Title of the Manuscript:	**IMPACT OF IMPROPER WASTE DISPOSAL ON SURFACE AND GROUND WATER**
Type of the Article	**Review Article**

PART 1: Review Comments

Compulsory REVISION comments	**Reviewer's comment**	**Author's Feedback** *(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	**Manuscript is lack of information globally as well as nationally. It should have a basic idea on what basis the review method is adopted for this review article.**	
Is the title of the article suitable? (If not please suggest an alternative title)	**Very generic and it needs to be more in depth on what aspects the impact is reviewed pertaining to surface and groundwater.**	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	**Abstract should contain the following aspect for about 200 words: Introduction Review background Methodology adopted for review papers collected. Research gap and scope for future study.**	
Are subsections and structure of the manuscript appropriate?	**Very common and generic. It seems to be like a project report and not like a manuscript. Basic information definitions and its importance everyone knows, what is the need of that in the manuscript. Be more specific on the impact across the world.**	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	**It requires more technical and scientific information based on the points gathered from the review papers. I couldn't find any fruitful and effective information in the manuscript.**	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	**Very less in numbers and moreover few of them are very old.**	
Minor REVISION comments **Is the language/English quality of the article suitable for scholarly communications?**	Language is not up to the readable level. It requires a thorough revision with respect to the English.	
Optional/General comments	It needs a major revision.	

Review Form 3
