EDITORIAL COMMENT’S on revised paper (if any)	Authors’ response to editor’s comments
<div>1. I would recommend the author to improve the discussion element of the study.</div> <div>2. The discussion section is now missing, which is essential for the research, comparing the findings with those of other scholars, and highlighting the similarities and differences.</div> <div>3. The author should also discuss the implications of their findings for future research and practice.</div>	<div>All suggestions have been implemented.</div>
