<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.</b>	As an important country in Africa, Zambia is stepping on a better development to achieve a good governance. Therefore, support on the process of the ministerial activities are important. The article should follow common article where the analysis of the issue is the most important part to present.

<b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</b>	The abstract is fine, however, I suggest to put more details on how the methodology is taken as there are so many indicators of the objective focuses mentioned.

<b>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</b>	yes

<b><u>Optional/General</u> comments</b>	There are so many aspects to value from the ministerial roles in Kabwe District to be put within good administration-issue article.
