

Editor's Comment:

The said article is **readied for publication acceptance only if the** authors may be able to improve the following items:

1. Several keywords duplicate the same as in the paper title. Other selections should be re-chosen.
2. Citation format must be uniform and modified as "(Author(s), year)" at the end of a statement. At the beginning of a statement, it then may be written as "Author(s) (year)".
3. Use "and" instead of "&" throughout the entire text.
4. Correct all typing errors such as "distrcit".
5. Vertical lines for all tables must be deleted.
6. Each table column must have a heading.

The reference listing must be arranged alphabetically.
