

Editor's Comment:

I have reviewed the peer reviewers review comments and also authors revised paper version 1 and author's response files. I have seen that authors have made the corrections in the revised version as per the reviewers comments and suggestions. I have made the decision to **accept this manuscript** (AJAHR_88283_v1) with Title: **Bioactivity of Leaf Extract of Phyllanthus amarus Against Fungal Pathogens Associated with Rot of Sweet Orange** submitted in Journal : Asian Journal of Agricultural and Horticultural Research.
