My final decision is positive. **I think that the last version of the paper can be published.**

- **The introduction part**

- ✓ It is recommended that in the last paragraph of the Introduction, the "Objective" of the review paper be explained in greater detail.

- **Check grammar.**

- ✓ In the text, do not use the first person "we, our".
- ✓ In the text, do not use the second person "you".
- ✓ in order to avoid punctuation or grammatical errors please have your paper read by a native English speaker.

- **References should be checked.**

- ✓ All works cited in the text must be listed in the References and vice versa.
- ✓ to elaborate the bibliographic citation and references format according to the needs of ARJASS.
