

Editor's Comment:

I reviewed the manuscript and reviewers comments
and I accept the paper for publication after completing
the pending reviewer comments and also I suggest
the following minor corrections:

1-The title of the paper should change to :

LIGO Detection of Gravitational Waves

2-All the figures should be with higher resolution.

Editor's Details:

Dr. Magdy Rabie Soliman Sanad
Professor, National Research Institute of Astronomy and Geophysics, Egypt.
