

Editor's Comment:

This paper can't be accepted for publication unless being rearranged under the missing Methods, Results, and Discussion headings. Furthermore;

1-"School health" could be added as a keyword.

2-The author should avoid using data and references older than five years.

3-The Author has not provided any references since the chapter titled "3. Counter measures and Suggestions". The author has to support all claims and opinions with reference throughout the text.

4-The reference list should be updated, corrected according to the journal rules, and rearranged according to the order of reference in the text.
