

Editor's Comment:

The manuscript has typographical errors, it is suggested to correct them in the process of revision. The reference section has some problems, it should be corrected before submitting the final version. Overall, the manuscript is acceptable for publication in your esteemed journal.

The manuscript has several reference errors, some of them are:

- ☐ Godeanu, 1972 is missing in the reference list.
- ☐ Correct the reference Bobrov, Shimano and Mazei, 2012 as Babrov et al., 2012 in the text and in the list.
- ☐ Correct the reference Kailash Chandra, *et al.*, 2017) as Chandra *et al.*, 2017) in the text and in the list.
- ☐ In the Results and Conclusion section, several references cited to describe Phylum, Class Order, Family and Genus are missing from the reference list. Similarly, citations in Tables 1 and 2 are also not given in the reference list. It is suggested to verify the situation.
- ☐ Present in the reference list, but not cited:

Chattopadhyaya, P and Das, A. K. 2003. Morphology, Morphometry and Ecology of Moss Dwelling Testate Amoebae (Protozoa: rhizopoda) of North and North-east India. *Memoirs of the ZSI* 19 (4). Zoological Survey of India, Calcutta.
