

Editor's Comment:

Dear Ruma,

The said paper needs the following improvements to upgrade its **quality to publishable standard:**

1. One keyword, "ethnic medicine", duplicate the same as in the paper title. Another selection must be re-chosen,
2. Please add "India" to the paper title.
3. The correct form is "et al.", not "etal" or "etal."
4. Kindly take good care of the spacing errors, such as "India[2]".
5. It should be "Table 1", instead of "Table-1" or "table-1".
6. Please number all sub-headings within the "Methodology" and "Results and Discussions" headings.
7. There are TWO "Table 3" in this paper.
8. Table 4 is missing also in this paper.
9. A thorough proof-check and English-check is highly recommended.
