

Editor's Comment:

I have read the reviewer's comment and also the Author's comment and corrections for the manuscript titled: " Knowledge, Practices and Attitude of Health Care Support Personnel on COVID-19: A Comparative Study Bhutan and Sri Lanka." (2021/AJRID/78659) an original article submitted to the Asian Journal of Research in Infectious Diseases.

After considering the reviewer's comments and recommendations and the editors' decision on the manuscript, I deem the manuscript fit (**Acceptable**) to be published in the Asian Journal of Research in Infectious Diseases.
