

Editor's Comment:

Here are a few recommendations to improve the manuscript.

The conclusion in the abstract requires improvement, needs more substance.

Please check Figure 1, if the format is acceptable to be published in the Asian Journal of Research in Infectious Diseases.

References are not standardized. please follow one format and use the same font.

Different fonts and formatting throughout the manuscript. (recommended to reformat the manuscript according to the guideline of the journal.

After considering the reviewer's comments and recommendations and the editors' decision on the manuscript and **fulfilling the above recommendations, I deem the manuscript fit (Acceptable) to be published in the Asian Journal of Research in Infectious Diseases.**
