

Editor's Comment:

I have read the reviewer's comments about the manuscript 2022/IJTDH/84427, and the improvements included by the authors.

Manuscript Title: **The current situation of school health in China**

According to the reviewer's criticisms, the manuscript 2022/IJTDH/84427 is suitable for publication in [International Journal of TROPICAL DISEASE & Health](#). I suggest English language review.
