

**Editor's Comment:**

Based on the reviewers' comments I recommend the manuscript titled: **Impact Analysis of Education in Emergency in Wangduechhoeling LSS** to be published in our reputable journal. However, the authors need to include the following information:

1. provide a clear methodology for each research objective
2. Provide clear data analysis for each objective

**Editor's Details:**

Dr. Bakare Kazeem Kayode  
Professor, Al-Medina International University, Malaysia
