

**Editor's Comment:**

I have seen the files, **the paper is ok for publication**, after (minor) corrections of spelling mistakes.

More specifically: (i) in title the right word should be "EXPERIENTIAL", (ii) 1st page of study design, there are 3 spelling mistakes within one sentence ("analysys", Kuantitative", "frekuensi"), while "analysys" is also wrong in the text (correct="analysis"), and (iii) in Table 1 "kualifikasi" (correct="qualification").
