

**Editor's Comment:**

In the paragraph between 2.4 and 2.5, there are typos about the parameters. After If ', what is this? Significance of  $i$  estimates, what is this?

In References: Malavika, B. et al, Write the name of the journal: Clinical Epidemiology and Global Health, not Elsevier Science Direct

Kayode et al. provide volume number, year and page number of the journal

AAs et al. Provide volume number of the journal

Sahin et al provide page numbers

Organization, W.H. Is it 2633 or 26-33?

Given the impact of the disease on society, the paper is interesting in terms of modeling and statistical analysis of the pandemic using time series model.

After these revisions the paper can be accepted for publication.
