### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalahrj.com/index.php/AHRJ/editorial-policy> )

### **PART 1:** Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	it can accepted for publication after some modification	
<b><u>Minor</u></b> REVISION comments	English should be improved thoroughly Followed journal guidelines  Use recent references (2020 onwards)	We have done our best to improve on the English  We agree, but extensive literature search showed very few relevant current references
<b><u>Optional/General</u></b> comments	Following references can be added for betterment of the study  Lewy VD, Danadian K, Witchel SF, Arslanian S. Early metabolic abnormalities in adolescent girls with polycystic ovarian syndrome. The Journal of pediatrics. 2001 Jan 1;138(1):38-44.  Farhangi MA, Keshavarz SA, Eshraghian M, Ostadrahimi A, Saboor-Yaraghi AA. White blood cell count in women: relation to inflammatory biomarkers, haematological profiles, visceral adiposity, and other cardiovascular risk factors. Journal of health, population, and nutrition. 2013 Mar;31(1):58.	The second suggested reference which is more relevant for this study has been cited in the discussion section and also listed in the reference section.

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
