PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The study was well prepared and presented. The researcher needs to include the geographically location of the study area.	We are endorsing the reviewer's comments and are well taken. The geographical location of the study area was mentioned in the MATERIALS AND METHODS sub head, that 8 oil palm growing districts of Andhra Pradesh namely East Godavari, Krishna, Nellore, Srikakulam, Vishakapatnam, Vizianagaram, West Godavari and Ananatapur were taken for the study. From each district, based on area proportionality 60 oil palm growers were selected as respondents for the survey data.
Minor REVISION comments	More citation to will strengthen the study.	2 Citations were added [18, 20].
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
