PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Though 'Immigration' is a global issue, the article concentrates specifically on the crisis in the European Union – which is not reflected in the title of the article. Article title may be modified to make it more specific than what it appears to be (generalized) right now.	Thank you very much for your valuable comments. Please note that the title has been rephrased.
Minor REVISION comments	There are incomplete sentences and drifting ideas due to the way the sentences are constructed. Sentences may be reconstructed to make the idea plain and straightforward.	
Optional/General comments	The 'Discussion/Conclusion' section does not have much of discussion. A few discussion points to keep the conversation ongoing may be included.	Έχετε δίκιο αλλά ήδη από προηγούμενο αξιολογήτή έχουμε περιορίσει αυτό το τμήμα προκειμένου να υπάρχει ισοκατανομή στο άρθρο διότι είναι περιορισμένος ο αριθμός των λέξεων.
