

**Review Form 1.6**

|                          |  |
|--------------------------|--|
| Journal Name:            | <a href="#">Asian Journal of Cardiology Research</a>                                       |
| Manuscript Number:       | Ms_AJCR_88126  |
| Title of the Manuscript: | Syncopal status revealing a massive intracardiac thrombi complicated by pulmonary embolism |
| Type of the Article      | Case study   |

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajcr.com/index.php/AJCR/editorial-policy> )

**PART 1: Review Comments**

|  | Reviewer's comment  | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|---|---|
| <b><u>Compulsory</u></b> REVISION comments |   |   |
| <b><u>Minor</u></b> REVISION comments      | Diagnosing pulmonary emboli is challenging. Pulmonary embolism is also a cause of sudden death. The description of the diagnostic process is clinically relevant and helpful to the reader. A copy of the Holter ECG findings in Figure 5 is not considered necessary. Please add a statement that the approval of the patient and family has been obtained for the presentation. | Noted   |
| <b><u>Optional/General</u></b> comments    |   |   |

**PART 2:**

|   | Reviewer's comment  | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|---|---|---|
| <b>Are there ethical issues in this manuscript?</b> | <b><u>(If yes, Kindly please write down the ethical issues here in details)</u></b><br><br>Please add a statement that the approval of the patient and family has been obtained for the presentation. |   |
