EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<ol style="list-style-type: none">1. Adding such a short discussion paragraph is insufficient.2. The authors should discuss their findings more comprehensively, compare the findings with the results of other studies, reveal the similarities and differences, explain and interpret them.3. The novelty of the study in comparison with other studies should be demonstrated, the contributions of the study to the literature and policies must be emphasized and discussed4. More sources from top-ranked peer-reviewed journals should be addressed in the Discussion.	<p>Thanks for the valuable comments, I have supplemented the Discussion section and added relevant literature.</p>
