PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>This research has not revealed its significance yet, how do the research results --the analysis and conclusions-- have an impact on banking in Indonesia? Is it better for these banks to conduct mergers and acquisitions to improve financial performance?</p> <p>In the last paragraph of the introduction, there are still sentences that are mixed between Indonesian and English. The author needs to revise this : "Meanwhile, research conducted by... Sedangkan penelitian yang dilakukan oleh Al'an'am [2] and Dewi [9] found again."</p>	<p>Thank you for taking the time to review my journal. I have revised my journal according to your suggestions and directions. Please contact me immediately if there is anything I need to revise.</p>
