

## Review Form 1.6

Journal Name:	<a href="#">Asian Journal of Economics, Business and Accounting</a>
Manuscript Number:	Ms_AJEBA_85797
Title of the Manuscript:	Managerial Performance in Indonesia: A Bibliography Study
Type of the Article	Review Article

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajebo.com/index.php/AJEBA/editorial-policy>)

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p>It is strongly recommended to present much more opinions on managerial performance from the authors around the world (not only from Indonesia) in the section of Introduction.</p> <p>It is needed to clearly define a scientific gap, i.e., main theoretical reasons or challenges of the paper.</p> <p>The titles of the papers in Table 2 have to be translated into English.</p> <p>Because currently is 2022 year, the analysis performed in the paper should be extended from 2002 – 2019 to 2002 – 2021 (although the only one paper was published in 2019, situation in 2020 and 2021 could be different).</p> <p>Results obtained in the survey should be discussed and compared with the ones in the world.</p> <p>Unfortunately, the scientific contribution of the paper is questionable. Thereto, it is recommended to the author/s to extend the depth of analysis and spectrum of (statistical) methods used in the paper.</p>	<p>Opinions on managerial performance from writers around the world (not only from Indonesia) in the Introduction section have been added</p> <p>The titles of the papers in Table 2 have been translated into English.</p> <p>Analysis has been extended from 2002 – 2021</p> <p>The initial contribution of this research is to classify articles in accredited journals based on research topics regarding managerial performance, including antecedent variables and other variables, classifying based on population and research samples, classifying research methods, and research analysis models. Second, this research provides readers with a broad overview of managerial performance and motivates further researchers to evaluate and analyze several variables, topics, or research methods on managerial performance that are still rarely carried out in Indonesia. This is to improve managerial performance from time to time in Indonesia so that the main goals of an organization can be realized easily with few obstacles.</p>
<b>Minor</b> REVISION comments	Small grammar or syntax imperfections, e.g., "investigation or investigation" (p. 1); double spaces between words, etc.	Already repaired
<b>Optional/General</b> comments
