### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	There are some grammatical errors needed to be revised. Kindly refer to the article text. My comments had been highlighted there.	We have examined the "grammatical errors". Several of them have been corrected. However, a good number of the "grammatical errors" has to do with redundant words that do not change the meaning of the sentences where they appear.  Thanks for painstakingly going through the article. We appreciate.
<b>Minor</b> REVISION comments	Please refer my comments in the article	
<b>Optional/General</b> comments	The findings of the study answer the purpose for which the article was written and sufficient.	Thank you.
