PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|--|--|
| Compulsory REVISION comments | <p>First, thanks a lot to the author for conducting such an important research paper.</p> <p>1- The questionnaires methodology is organized very well, and the result is analysed significantly.</p> <p>2- It is strongly suggested to make a separate part under the title of "literature" and be careful that literature and theoretical background differ.</p> <p>3- Supporting the conclusion by comparing with some more conducted research and articles, will make strong the paper although it is analyzed very well.</p> | <p>Thank you for reviewing my paper and having these very relevant comments.</p> <ul style="list-style-type: none">✓ The literature part of the article is already added.✓ A comparison of conducted research from the result of my study was already provided. |
| Minor REVISION comments | <p>1- It seems there are no writing and numerical mistakes which is a good sign.</p> | <p>Thank you for your appreciation.</p> |
| Optional/General comments | <p>Overall, the article is organized very well, and it is ready to be published with this version.</p> | <p>Thank you and I am excited to read my paper published in this journal.</p> |
