PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|---|---|
| Compulsory REVISION comments | Grammar construction Improvement on the literature methodology | Will proof read the entire manuscript for grammatical errors. Literature review for both challenges of online learning and advantages of online learning are given separately. (One more is added) |
| Minor REVISION comments | Removal of "impact " from the topic | Impact cannot be removed because the study analysed the impact of independent variables on the dependent variable by using regression. (The model summary is given for both opportunities and advantages of online learning). Statistically it is proved. |
| Optional/General comments | Generally: the study needs complete overview for acceptance | |
