General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajess.com/index.php/AJESS/editorial-policy>)

PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|---|---|
| <u>Compulsory</u> REVISION comments | Abstract far exceeds the journal's length requirements. It contains a lot of information, for example, on methodology and statistics, which are unnecessary in the abstract, but should be in the text. | Correction have been made accordingly. |
| <u>Minor</u> REVISION comments | The text describes the quasi-experiment on the effect of self-instruction on bullying tendency among secondary school students. The issues are important and interesting, and the text itself is properly prepared. However, the limitations of the conducted research are not discussed. Practical implications would also be worth pointing to. | Corrections have been made accordingly |
| <u>Optional/General</u> comments | | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|---|---|
| Are there ethical issues in this manuscript? | <u>(If yes, Kindly please write down the ethical issues here in details)</u> | No ethical considerations |
