<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"><li>1. This work introduces the blue sources of funds in Zanzibar. According to the findings of the work showed that funds are utilized on purchasing boats, equipment's and machines. It is interesting, but the structure and content need to be further developed in a more references to back up the statement and situations in Zanzibar.</li><li>2. The author talk about the fishery activities depend on several sources of funds that can be used to invest in Zanzibar fisheries sector. For international readers, however, the paper will be more attractive if more detail of flexible strategies, decision progressing of refurbishing of existing structures, planning progressing and development process etc. in other regions/or neighboring countries (e.g., budget utilization, purchasing ability, etc. ) can be included.</li><li>3. I suggest the author can provide more discussion, comments or conclusion of this work. Such as the work can also discuss and compare the blue sources investment of Zanzibar or neighbor countries. For example, the price or budget for the purchase of ships and fishing equipment's, or how many percentage of GDP to invest the industry. Therefore, this paper may serve as a useful reference for elsewhere in the world.</li><li>4. I recommend that the manuscript could be reconsidered for publication after revised.</li></ol>	Revised
